Hostel Handbook

Office of Student Affairs

This handbook sets out the day-to-day rules governing life in Institute hostels. It supplements Section 7 of the Academic Regulations Handbook, referenced at clause 7.3.1.

H.1 Room Allotment

H.1.1 Rooms are allotted at the start of each academic year by the Hostel Office based on the priority order set out in the Academic Regulations Handbook (clause 7.1.2).

H.1.2 Room changes after allotment require written approval from the Hostel Warden and are permitted only in the first two weeks of a term, except on medical grounds certified by the Institute Medical Officer.

H.1.3 Sharing of rooms beyond the allotted occupancy is not permitted under any circumstances.

H.2 Curfew and Entry Timings

H.2.1 The main hostel gate closes at 10:30 PM on weekdays and 12:00 AM (midnight) on Fridays, Saturdays, and the day before a notified holiday.

H.2.2 Students returning after gate closure must sign the late-entry register maintained by the security desk and must provide a reason. Three late entries in a calendar month will be reported to the Hostel Warden.

H.2.3 Overnight absence from the hostel requires prior written permission from the Hostel Warden, recorded in the Outpass Register, except in the case of a documented family emergency, in which case the student must inform the Warden within 24 hours of departure.

H.3 Guest Policy

H.3.1 Guests are permitted in common areas between 9:00 AM and 8:00 PM on any day, subject to the guest signing the visitor register at the security desk.

H.3.2 Overnight guests are not permitted in student rooms under any circumstances. This applies equally to guests of the same gender and guests of a different gender.

H.3.3 A student found to have hosted an unregistered overnight guest will be reported to the Hostel Warden for disciplinary action.

H.4 Mess and Dining

H.4.1 Mess timings are: Breakfast 7:30–9:30 AM, Lunch 12:30–2:30 PM, Snacks 5:00–6:00 PM, Dinner 8:00–9:30 PM.

H.4.2 Students who have paid the Mess Advance (see Fee Deadlines document) are entitled to all meals during these windows. Outside guests may be served on payment of a per-meal guest charge collected at the mess counter.

H.4.3 Special dietary requirements (medical or religious) must be registered with the Mess Committee at the start of the term.

H.5 Room Inspection and Maintenance

H.5.1 The Hostel Office conducts routine room inspections once per month, with 24 hours' notice, to check for safety hazards, unauthorized electrical appliances, and general upkeep.

H.5.2 Unannounced inspections may be conducted where the Warden has specific cause for concern, such as a reported safety hazard or complaint.

H.5.3 Maintenance requests (plumbing, electrical, furniture) should be logged with the Hostel Office and will typically be addressed within 3 working days for non-urgent matters and within 24 hours for urgent matters (e.g., no water supply, electrical fault).

H.6 Prohibited Items and Conduct

H.6.1 The following items are prohibited in hostel rooms: open flames or cooking appliances of any kind, electric heaters exceeding 1000W, and any item classified as hazardous under Institute safety guidelines.

H.6.2 Consumption of alcohol or any intoxicating substance within hostel premises is strictly prohibited.

H.6.3 Ragging in any form is strictly prohibited and will be dealt with under the Institute's Anti-Ragging Policy in addition to the provisions of this handbook.

H.6.4 Damage to hostel property, whether in a private room or common area, will be charged to the responsible student(s) at replacement or repair cost, in addition to any other action taken under this handbook.

H.7 Disciplinary Process for Hostel Violations

H.7.1 The Hostel Warden is the first point of contact for all violations of the rules set out in this handbook and has full authority to investigate reported violations.

H.7.2 For a first minor violation (e.g., a single late entry, an unregistered daytime guest), the Warden may issue a verbal or written warning at their discretion.

H.7.3 For repeat violations, or violations the Warden considers serious (e.g., unauthorized overnight guests, prohibited items, property damage, ragging), the Warden holds final and binding disciplinary authority and may impose sanctions including a fine, a formal warning placed on the student's record, temporary suspension of hostel privileges, or recommendation for eviction from the hostel. The Warden's decision in such matters is final and is not subject to review by any other Institute body.

H.7.4 A student sanctioned under H.7.3 may request, purely as a courtesy, that the Warden reconsider the decision, but the Warden is under no obligation to alter the original decision.

H.7.5 Eviction from the hostel does not affect the student's academic enrollment, which continues to be governed separately by the Academic Regulations Handbook.

H.8 Fees and Deposits

H.8.1 Hostel fees, the security deposit, and the mess advance are payable as per the amounts and deadlines set out in the Fee Deadlines and Penalties document.

H.8.2 The security deposit is refundable within 30 days of vacating the hostel, subject to deduction for any outstanding dues or damage charges.

H.9 Emergency Procedures

H.9.1 Each floor has a designated fire assembly point, marked on the evacuation map posted near the stairwell.

H.9.2 In case of medical emergency, students should contact the hostel security desk immediately, who will coordinate with the Institute Medical Officer and, if necessary, arrange transport to the nearest hospital.

H.9.3 Emergency contact numbers for the Hostel Warden, security desk, and Institute Medical Officer are posted on the notice board of each hostel block.

This handbook is issued by the Office of Student Affairs and is reviewed annually. Students are bound by this handbook from the date of hostel allotment.
